## Skills

- Strong organisational planning skills used to manage, prioritise and deliver against a demanding workload.
- Excellent research, analysis and investigative skills coupled with meticulous attention to detail.
- Confident, articulate communicator with people from a broad spectrum of different backgrounds/culture, using skills to inspire trust and build rapport.

## Personal Profile

Accomplished professional capable of performing in a wide range of different settings. Excellent communication abilities with varied groups are complemented by strong influencing skills, an organised approach to managing a demanding workload, a commitment to delivering high quality output and a proactive, can-do attitude. With previous relevant experience, I am now looking to use my skills to secure a new and challenging role in IT.

## Experience

Emplorium

Present

- Migrated two of the businesses core applications to React.
- Add features to the main application
- Write unit tests using Jest and react testing library
- Manage state using redux/hooks
- Use the ant design component library
- Good understanding of typescript and writing interfaces

**Teach Stack:** ES6, Node, ReactJS

**Libraries/tools:** Redux, Jest, React Testing Library

### Mar 2017 - Police Constable

London Metropolitan Police

Apr 2021

- Using meticulous attention to detail to gather, record and analyse intelligence, particularly relating to PIP level 2 (serious and complex) crimes to bring offenders to justice as much as possible.
- Using tact and diplomacy to engage and build relationships with a broad cross section of the public, as well as to quickly managing and defuse volatile situations as and when required.
- Ensuring the accurate timely completion of all paperwork using relevant systems and programs.
- Ensuring correct documentation is prepared and organised for court hearings as per policies and procedures.
- Thoroughly investigating cases end to end ensuring completeness.
- Ethically hacking electronic devices and disseminating the information for an array of cases, whilst complying with Human rights laws and company policies.

### Dec 2015 - Freelance Developer

MK Holidays, London

Feb 2017

- Analysed the prices and behaviour of competitors, and for MK Holidays, and translating the findings into managerial reports.
- Help maintain HTML/CSS/JS static sites.
- Managed the website content to make sure that all information was accurate and up to date.
- Distributed the email marketing newsletters to customers and subscribers.
- Worked with the marketing manager to produce marketing materials for both online and offline use.

## Extra Curricular Activities

In my spare time I like to keep fit by participating in sports. I enjoy socialising and watching marvel movies. I also have a passion for growing my knowledge in the field of IT, investment and personal finance.
